Before casting your ballot, Assembly Voting also allows you to verify your ballot to ensure that your vote is intact and unchanged.

This is optional.

The screenshot displays a web interface for Assembly Voting. At the top, a status bar indicates "Time left to vote: 39:11". Below this, a heading reads "Your ballot is now ready". A subtext states, "You now have the option to either cast the ballot or test its content." Two links are provided: "► What is testing my ballot?" and "► What is casting my ballot?". At the bottom, there are three buttons: "Back", "Test ballot", and "Cast ballot". A large orange arrow points from the left towards the "Test ballot" button, highlighting it as the optional step.
